

File Designations

You must choose a file designation for each uploaded file:

- **Main Document:** For file containing primary content.
- **Image:** For file containing figure content.
- **Table:** For file containing table content.
- **Supplementary Material for Review:** For any supplementary material to be reviewed with your submission.
- **Supplementary Material Not for Review:** For any supplementary material not to be reviewed with your submission (e.g., copyright form, permission form).
